Preface

CITY OF LENOIR, COUNTY SEAT OF CALDWELL COUNTY

The city of Lenoir is situated in the western Piedmont section of North Carolina in the foothills of the Blue Ridge Mountains and is the southern gateway to the Blue Ridge Parkway and to the Blowing Rock-Grandfather Mountain area. It is principally an industrial city with the manufacture of furniture its leading industry, being the largest producer of wooden furniture in the south and one of the largest in the entire United States.

Between 1875 and 1900, however, Lenoir was known as a summer resort and had many summer visitors, while all of those who went to Blowing Rock left the train at Lenoir and drove the 23 miles by road up the mountain in horse drawn hacks.

INDUSTRY

It was during this period, however, that the manufacture of furniture first started in Lenoir, since there were many skilled cabinet makers in this area, the descendants of skilled artisans who has been brought over from England by the wealthy plantation owners in Happy Valley and the Yadkin Valley to build the furniture for the homes built in this valley shortly after the Revolution. Several of these beautiful old homes, containing the original hand-made furniture, are still standing and in use by the descendants of the families who built them.

By 1890 Lenoir was already well-known as a furniture manufacturing center and this industry has increased steadily until at the present time there are ten large furniture manufacturing plants, two veneer plants, two mirror plants, one paper box and one packing materials concern, and several other concerns that supply materials for the furniture industry. In all, there are some 26 different industries operated in Lenoir employing more than 6,000 persons. Of these the furniture industry alone employs more than 4,000 persons, a good many of these now being women, and the payroll of the furniture industry amounts to approximately $100,000 a week or more than $5,000,000 a year.

There are also six cotton spinning mills in Lenoir and the Lenoir area which employ some 1,000 persons, mostly women. There are hosiery mills, machine shops, flour mills, sawmills, millwork plants and other miscellaneous industries.

POPULATION

The population of Lenoir is 7,603 within the city limits according to the 1940 census, while the population of Caldwell county is 35,795. The

(Continued on Page Eight)

398798

PREFACE

(Continued from Page Seven)

population of the two townships in which Lenoir is located is 18,119. Accordingly, the population of Lenoir and the areas immediately surrounding it is conservatively estimated at more than 12,000 persons, while the trading area is approximately between 20,000 and 25,000 persons. Population Greater Lenoir, 12,124 (1943 Directory Census).

The difference between the census population and the population living in and adjacent to Lenoir is due to the fact that many of the industries are located outside the city limits with many of those employed in these plants living outside the city limits or on small farms nearby.

The increase in population of Lenoir from 1930 to 1940 was 14 per cent according to the 1940 census, while the population in Caldwell county during this same period increased 27.8 per cent.

TRANSPORTATION

Lenoir is served by the Carolina and Northwestern Railway branch of the Southern Railway extending from Chester, S. C., where it connects with the Seaboard Airline Railway to Lenoir via Gastonia, Lincolnton and Hickory. In addition, Lenoir is served by five hard-surfaced state and federal highways which afford frequent bus and freight transportation. Six large trucking concerns operate out of Lenoir either as common carriers or contract haulers. Regular bus service to all points in the United States is provided by the Atlantic Greyhound lines and the Queen City Coach Company. Through rail passenger service to New York, Chicago and all other points is available from Hickory over the Southern Railway and by the Pennsylvania Central Air Lines. The commercial air service out of Hickory has been suspended for the duration of the war but will be resumed as soon as the war is over.

TAXES

The tax rate in the city of Lenoir for all purposes is $1.25 for each $100 valuation, for which $1.00 is for city purposes and 25 cents for school purposes. The county tax rate is $1.00 on each $100 valuation for all county purposes. Property is assessed at approximately 75% of its real value for taxation purposes for both the city and county. No state property tax is levied in North Carolina.

FIRE PROTECTION

Due to the fact that Lenoir has one of the most modern and well-equipped volunteer fire departments in the United States, fire losses

PREFACE

(Continued from Page 9)

have been unusually low with a very low fire insurance rate. During 1942 the fire loss in Lenoir amounted to only $9,215.

WATER SUPPLY

Lenoir has a modern water plant with a pumping capacity of approximately 1,000,000 gallons a day although the city only uses between 700,000 and 800,000 gallons a day including industrial uses. This water supply is delivered from several mountain streams fed by natural springs with the result that the water is extremely soft and unusually pure.

UTILITIES

The electric power supplied to Lenoir and Caldwell county by the Duke Power Company which with its network of hydro-electric and steam power plants is equipped to deliver an almost unlimited amount of electricity for either domestic or commercial use. Two of Duke Power Company's largest hydro-electric plants are located in Caldwell county while another is located in another county. The rates for power in Lenoir and Caldwell county are among the lowest in the United States.

Caldwell county is one of the most highly electrified counties in North Carolina with 945 miles of rural electric lines with more than 4,000 rural customers, with 82 per cent of the rural homes in the country electrified.

Gas for cooking, refrigerators and heating is available from the Piedmont Gas Company which is now supplying approximately 21,500,000 cubic feet and which has a capacity for about 50,000,000 cubic feet per month. Rates are reasonable and decline in proportion to the amount used.

BANKS

Lenoir is served by two commercial banks, one industrial bank and two building and loan associations. The two banks have combined resources of more than $3,000,000 while the two building and loan associations have the combined resources of approximately $2,500,000.

LABOR SUPPLY

An adequate supply of native white labor is available in Lenoir and Caldwell county and is more than 98% native Blue Ridge Mountain stock of pre-Revolution origin. These people are intelligent, hard working and are not inclined to float from one section to another due to the fact that their forefathers have lived in this mountain area for more than a century. This supply of native born white labor with intelligence and ability is the outstanding asset of Lenoir and this entire region.

(Continued on Page 12)

PREFACE

(Continued from Page 11)

CIVIC CLUBS

Among the various civic clubs in Lenoir are the Lions Club, Kiwanis Club, Rotary Club, Woman's Club, Business and Professional Woman's Club, Garden Club, Lenoir Service Club, Woodmen of the World, Masonic Order and Knights of Pythias. The Rotary Club meets at 12:30 p. m. each Friday, Kiwanis Club at 6:30 p. m. each Friday in the Carlheim Hotel. The Lions Club meets the second and fourth Mondays at 6:30 p. m. in the dining room of the St. James Episcopal Church.

SCHOOLS

The Lenoir school system is composed of three elementary schools and one high school with the total enrollment of more than 2,000 and with approximately 400 in the high school. The schools have a nine months term and 12 grades. There are 24 rural schools in the county system with an enrollment of approximately 7,500. These schools also have a nine months term and 12 grades. Nearly 5,000 of the children in the rural schools are transported to and from school every day in 43 school buses which travel an average of 1,604 miles every day.

CHURCHES

There are 17 churches in Lenoir, 11 of these for the while congregation and 6 for the colored congregation, representing all denominations.

HOSPITALS

Lenoir has two modern hospitals containing the most modern equipment and staffed by the ablest doctors and nurses.

CLIMATE

Situated as it is in the foothills of the Blue Ridge Mountains, Lenoir has an unusually mild climate the year around. The average annual temperature is 56.5 degrees with an average summer temperature of 73.7 degrees and a fall average temperature of 57.2 degrees. The average winter temperature is 38.9 degrees and the spring temperature 56.2 degrees.

Although the altitude in Lenoir is only 1,186 feet, within 21 miles it is possible to attain an altitude of almost 4,000 feet, while Grandfather Mountain on the northwestern edge of the county attains an altitude of 5,964 feet.

RECREATION

Those seeking outdoor recreation can find an almost unlimited amount in Lenoir or in this general area. There is a nine-hole golf course in Lenoir and several hundred miles of extensive trout and bass fishing waters in the county. An 18-hole golf course is available in Blowing Rock at an altitude of more than 3,500 feet.

For additional information concerning Lenoir and Caldwell county write to the Lenoir Chamber of Commerce, 112 North Main Street, Lenoir, N. C.

Street Directory

—OF—

Lenoir, North Carolina

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE, AND DENOTING BUSINESS PLACES

VOL. V 1943-1944 VOL. V

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(●)—Before name denotes home-owner.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same,

MEMORANDUM

FIRE ALARM BOXES

The best and quickest way to report a fire is to pull the nearest fire box. If you telephone, call Number 3 and give exact location of fire. When making calls from alarm boxes, please remain at box until fire trucks arrive.
